Attach light gauge sheet metal to sheet metal in HVAC or any light duty steel applications with speed and precision, using our **Professional Grade Strong-Point Razor.**

**Features**

- Multipurpose sheet metal screw for light to medium gauge applications
- 20° point pierces light gauge metal quickly
- Razor non-walking point for faster engagement
- Hi-Hex head provides deeper tool engagement for improved drivability

**Unslotted Indented Hex Washer Head, Fine Thread, Razor Point, Zinc Plated**

**Material Application**
Attaches light gauge sheet metal to sheet metal.
